

Kylia Garver  
Director - Marketing  
Brown Medical Industries, Inc.  
1300 Lundberg Drive West  
Spirit Lake, Iowa 51360

Dear Ms. Garver,

Congratulations and welcome to the Arthritis Foundation's Ease-of-Use Commendation Program!

The mission of the Arthritis Foundation is to improve lives through leadership in the prevention, control and cure of arthritis and related diseases. In keeping with our mission, the Arthritis Foundation established an Ease-of-Use Commendation Program as a service to individuals and the corporate community, and to encourage products, services and packaging innovations, which provide benefit(s) and improve the quality of life for people with arthritis.

We applaud Brown Medical Industries, Inc. and appreciate your support in creating awareness of our efforts to improve the quality of life for people with arthritis by developing therapeutic products that relieve pain and provide greater accessibility and ease of use.

The Arthritis Foundation is excited about the IMAK<sup>®</sup> SmartGlove, IMAK<sup>®</sup> Arthritis Gloves and the Nice Stretch<sup>®</sup> X Lite night splint carrying the Arthritis Foundation's Ease-of-Use Commendation and looks forward a long-lasting partnership.

Again, welcome to the Arthritis Foundation's Ease-of-Use Commendation Program and thank you for helping us improve the quality of life for the 50 million Americans with arthritis.

Regards,

Elnetta D. Mitchell
