

Plantar Fasciitis Sleeve

for Daytime Use

NICE STRETCH® Plantar Fasciitis Sleeve provides balanced compression and support to the ankle, arch and heel.

Comfortable enough to wear the entire day, the Plantar Fasciitis Sleeve is enhanced with X-Stretch Technology to help distribute pressure more evenly across the foot.

The X-Stretch design mimics the taping methods typically recommended by medical professionals for prevention and relief of Plantar Fasciitis, heel pain and Achilles Tendonitis.

Who needs the Plantar Fasciitis Sleeve?

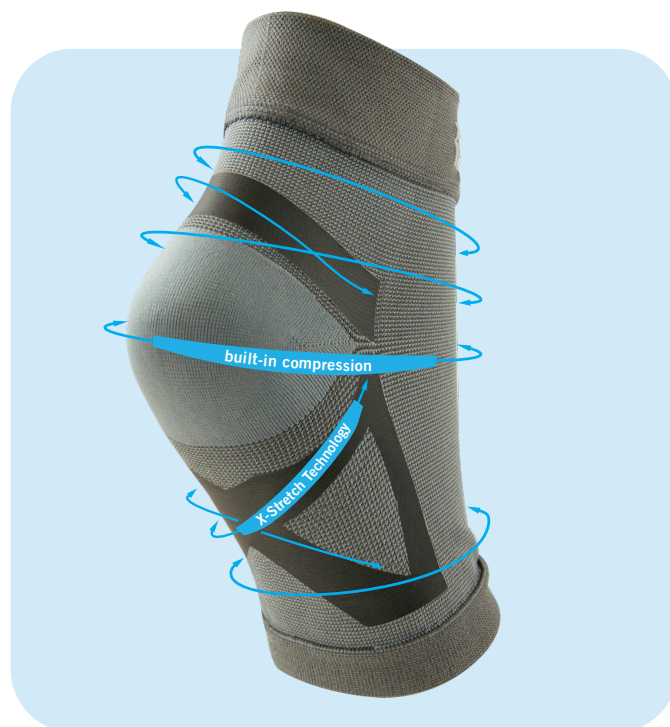

Anyone seeking daytime relief from the pain of Plantar Fasciitis

People who spend a lot of time on their feet

People with high arches, flat feet or tightness in the Achilles' tendon at the back of the heel

Key Benefits

- Helps further the effectiveness of night treatments
- Easy, safe and effective to use
- Reusable, will withstand long-term use and a high number of washes
- Unique Bamboo Charcoal Fiber material incorporates anti-bacterial and deodorizing properties, is quick to dry and may help improve circulation to further aid in pain relief
- Not made with natural rubber latex
