ORIGINAL

THE EASY,
DURABLE WAY TO STAY DRY™

YOUR WORK IS VITAL. PROTECT IT WITH SEAL-TIGHT.

Whatever cast, splint or bandage materials you use, SEAL-TIGHT is the professional, post-treatment solution. Avoid cheap alternatives that can leak. Instead, rely on the original—SEAL-TIGHT cast and bandage protectors—to keep casts really dry, reduce potential infections and avoid recasting.

SEAL-TIGHT ORIGINAL

ELIMINATES RE-CASTS

SEAL-TIGHT incorporates today's most advanced technology to prevent moisture penetration.

IMPROVES HYGIENE

SEAL-TIGHT keeps casts and skin dry and reduces potential infections.

THE MARKET LEADER

The SEAL-TIGHT history of innovative excellence assures that you're providing the most-trusted medical solution.

STYLES FOR ANY NEED

SEAL-TIGHT Original comes in adult and pediatric sizing, with 14 models ranging from 11" to 42" in length.

WATERTIGHT SEAL
Our flex-seal rubber diaphragm slips easily over the cast. Provides a comfortable, yet squeeze-tight fit to keep moisture out when patients shower or bathe.

GUARANTEED
SEAL-TIGHT Original conforms firmly to the body without annoying tape, straps or pumps. They're 100% latex-free and guaranteed to last the life of the cast.

SIMPLIFIES PATIENT ROUTINES
SEAL-TIGHT lets patients enjoy their normal bathing and recreational activities while their casts stay clean and dry—economically.
