

Shin Sleeve

natural
relief for pain
and stress

Feel the All-Day Difference®

The IMAK Compression Shin Sleeve is a non-latex neoprene sleeve that provides compression while supporting lower leg muscles and tissue. Effective treatment of inflammation and pain associated with stress on lower leg. Excellent for use in sport activities or by people with excessive biomechanical pronation or supination of foot. Lightweight and easy to pull onto lower leg.

-  Supports lower leg muscles and tissue
-  Mild compression provides warmth
-  May reduce pain to promote healing
-  Lightweight and easy to pull onto lower leg
-  Designed for all-day comfort and performance

Ideal to use for:
Sports activities
Medial Tibial Stress Syndrome
Bruises
Muscle Strains
Shin Splints

Easy Care:
Hand wash cold,
air dry.
