COMPRESSION FIT

WHAT IS INTELLINETIX?

Intellinetix is a revolutionary pain management and recovery system that harnesses the proven power of vibration therapy to stimulate muscles and ligaments and reduce pain and inflammation in aching joints. Proven effective for relief of chronic pain associated with arthritis, Intellinetix vibration technology is designed to provide targeted relief in a device that is comfortable enough to wear all day.

100% DRUG FREE

No prescription needed and no drug interactions. Intellinetix products can be used as many times as you want.

WEARABLE TECH

Wear Intellinetix almost anywhere, anytime you need pain relief. Great to use all day at the office, at home, while traveling, and during your favorite activities.

USB RECHARGEABLE

Recharges in minutes with universal mini USB cable. Fully charged Intellinetix devices will operate up to 45 min. on high frequency mode.

COMPRESSION FIT

Mild compression fit design provides warmth, which may help increase circulation, reduce pain and promote healing.
