

EYE PILLOW

The classic Eye Pillow just got an upgrade.

Soothing. Cooling. Compression.
Better sleep is here.

Our classic IMAK Compression Sleep Therapy Eye Pillow was the first to bring weighted compression to a sleep mask. Since then, it's loved by nearly 1 million sleep enthusiasts and chronic pain sufferers. What's more, we've enhanced this customer favorite by adding a wider 1" extra soft, comfort strap and a spa inspired box design ideal for giving the gift of better sleep and pain relief. Plus, we're introducing a new color option, so you have choices than ever. The result: our customer favorite Eye Pillow is now better than ever!
